UNIVERSITY OF CINCINNATI

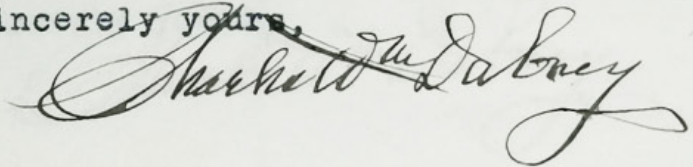

OFFICE OF THE PRESIDENT—MCMICKEN HALL

The twenty-first of September
nineteen hundred and sixteen

Dear Doctor Chavez:

As you may not be entirely familiar with the rules of the University, I desire to say that if ~~Miss~~ Chavez desires to take courses in the College of Arts or the Teachers College of this University as a regular student, that is, as much as twelve hours per week, the tuition is free to her. We hope to have her with us and it will give Dean Chandler or any of us pleasure to arrange work for her, if it is desired.

Sincerely yours,

Professor E. A. Chavez
